

WHAT WE ARE DOING TO COMBAT COVID-19

At **Allen Chiropractic Wellness Center** we take your health seriously. We have always, and will continue to maintain the strictest cleanliness guidelines. This is a center for WELLNESS. Since we do not treat ill patients like an urgent care center, your risk in entering this building is NOT elevated.

IN ADDITION TO NORMAL CLEANING WE:

- Utilize **Air Purifiers** that actively kill germs in the air and on surfaces.
- **Fogged the entire office** using **Bac-Shield** which puts down a **protective layer** to prevent microbial growth and kills viruses, bacteria, fungi, molds, and protozoans by laying down a tiny bed of nails to puncture the cell wall of any microbe coming in contact with it.
- **Wipe down** each table and all equipment **after EACH patient**. Wipe down the waiting room thoroughly.
- Established new disease control policies:

Per CDC Guidelines: Anyone entering the office that has a cough will be screened and if they meet the guidelines of suspicion for CoVid-19, will be asked to leave in the interest of others. **We will not have more than 10 people at one time.**

WHAT YOU CAN DO:

- If you feel sick, **STAY HOME**
- Wash hands often, thoroughly for 20 seconds.
- Cough in your elbow
- Keep hands off your face, eyes, nose and mouth.

WHAT DO WE OFFER?

We have in stock various **SUPPLEMENTS** to help
